

South Yorkshire WH Community cic

IMPACT REPORT 2025

EXECUTIVE SUMMARY

South Yorkshire WH Community CIC achieved exceptional growth in 2025, supporting **7,150 individuals** across the South Yorkshire region — a **235.7% increase** from 2,130 in 2024. Our active membership also rose significantly to **600 members**, representing **57.9% growth** from 380 the previous year. This rapid expansion highlights the escalating demand for **community support services** among new migrants and refugees, and reinforces our organisation’s vital role in promoting integration, wellbeing, and social cohesion.

This remarkable growth reflects the effectiveness of our integrated approach: combining English language education, mental health support, physical activity, cultural preservation, and sustainable livelihoods through ESOL classes, sports activities, community events, and our allotment project.

6. CHALLENGES & LESSONS LEARNED

Challenges Overcome:

The 236% increase in individuals served (from 2,130 to 7,150) required significant expansion in planning, organization, execution, administration, and coordination. Despite these challenges, we successfully managed growth through:

- Expanded volunteer base
- Improved administrative systems
- Strategic partnerships with local organizations
- Flexible, responsive programming

What Worked Well:

- ✓ Strong volunteer network and community commitment
- ✓ Integrated, holistic approach addressing multiple needs
- ✓ Free or low-cost activities accessible to low-income populations
- ✓ Bilingual services (Cantonese/English)
- ✓ Culturally-sensitive programming
- ✓ Community-led governance and decision-making
- ✓ Partnership with Sport England and local authorities

Areas for Improvement:

- ✓ Need increased financial support to sustain and expand services
- ✓ Capacity building for staff and administration
- ✓ Expansion to additional areas (Sheffield) pending funding
- ✓ Enhanced health monitoring and evaluation systems

Member Feedback:

Members value:

- Free or low-cost activities (critical for poverty-area populations)
- ESOL classes addressing language barriers
- Cultural and festival events supporting mental health
- Sport England activities improving physical wellbeing and community connection
- Safe, welcoming community spaces

7. FINANCIAL IMPACT & SUSTAINABILITY

Sport England Funding: £12,928

This diverse funding base demonstrates community recognition of our work and our ability to attract support from multiple sources.

8. 2026 GOALS & EXPANSION

Primary Target: Support 8,000 individuals in 2026 (11.9% increase from 2025)

New Programmes Planned:

- Expanded ESOL classes to meet growing demand
- Additional mental health and mindfulness sessions
- Enhanced allotment project capacity
- New sports and activity sessions

Geographic Expansion:

- Expansion into Sheffield areas pending additional funding
- Increased reach across South Yorkshire region

Sustainability Focus:

- Secure ongoing funding to support growing membership
- Build organizational capacity (staff, administration, systems)
- Develop earned income streams
- Strengthen partnerships with local authorities and NGOs

CONCLUSION

2025 was a transformational year for South Yorkshire WH Community CIC. The 236% increase in individuals served demonstrates the critical need for integrated community support services for new migrants and refugees. Our holistic approach — combining language education, mental health support, physical activity, cultural preservation, and sustainable livelihoods — addresses the interconnected challenges facing our community.

The success of 2025 was built on:

- Dedicated volunteer network (30+ volunteers, 2,000+ hours)
- Committed staff and leadership
- Strong community partnerships
- Diverse funding support
- Member-centered, culturally-sensitive programming

As we move into 2026, our challenge is to sustain and expand these services to meet growing demand. With continued financial support and community partnership, we are well-positioned to reach 8,000 individuals and strengthen our impact on new migrant and refugee communities across the South Yorkshire region.
